RPD Officers Place in Motor Rodeo

Riverside, CA – Congratulations are in order for the RPD Motor Officers who participated in the 2012 Orange County Traffic Officers Association (OCTOA) Motor Rodeo. The annual contest took place at Huntington State Beach and hosted over 300 of the best riders from all over California. Proceeds from the event benefit injured police officers and the families of officers killed in the line of duty.

Hundreds of spectators looked on as riders showed off their extraordinary skills while qualifying for the main event, The Top Gun. This head-to-head, winner takes all competition crowns the best overall rider in the day-long event. Out of the 64 Motor Officers who qualified, it was our own Danny Cisneros who made it to the championship round and finished second. This is the best finish RPD has had thus far!

The below listed RPD Motors all enjoyed a spirited day of competition and are commended for their dedication to training, professionalism and RPD pride.
